PROCEEDINGS

DEPUTY COMMISSIONER METTE: We are on record.

PRESIDING COMMISSIONER WEISS: All right, good morning, everyone. Today, it's apparently January 28, 2025. The time is 9:06 a.m. We are here for what is scheduled as a subsequent parole, uh, an annual parole reconsideration hearing for, let me get your full name up, sir. Alphonso Ware, CDCR number E27342. Mr. Ware is present at the California State Prison at Solano in a hearing room. His Attorney of record is also present by video, as are my colleague and I. I do understand, before we began this hearing, um, Counsel made a representation to us, uh, about her professional request for today. Before we get into that, sir, we're going to do a bunch of just introductory things that we always do, so please bear with me and then I will recognize your Attorney for a conversation at the appropriate time. So, um, let me start by asking you, Mr. Ware, how are you doing today?

ALPHONSO WARE: Doing fine, I feel good.

PRESIDING COMMISSIONER WEISS: Good, good. At any point, if you need a break, just let me know. That's no big deal, okay?

ALPHONSO WARE: Uh-huh.

PRESIDING COMMISSIONER WEISS: Can you hear and see me on the computer all right?

1 **ALPHONSO WARE:** Yes.

2 **PRESIDING COMMISSIONER WEISS:** Okay. If that changes,
3 that is kind of a big deal, so please let me or the
4 Officer know if there are any computer problems so we can
5 fix them, okay? Okay?

6 **ALPHONSO WARE:** Yes.

7 **PRESIDING COMMISSIONER WEISS:** Great. Um, we are now
8 going to go around the room and introduce ourselves for
9 the record so we can type up a transcript later on. I'll
10 go first. I'm Commissioner Jack Weiss. My last name is
11 spelled W-E-I-S-S. Here is my colleague.

12 **DEPUTY COMMISSIONER METTE:** Thank you. Michael
13 Mette, M-E-T-T-E. I'm a Deputy Commissioner with the Board
14 of Parole Hearings.

15 **PRESIDING COMMISSIONER WEISS:** Mr. Ware, can you
16 please tell us your full name, spell your last name, and
17 tell us your CDCR number?

18 **ALPHONSO WARE:** Uh, I'm Alphonso Ware, uh, W-A-R-E,
19 and my, uh, CDC E27342.

20 **PRESIDING COMMISSIONER WEISS:** Counsel, please make
21 your appearance.

22 **ATTORNEY KELLEY:** Good morning. My name is Lori
23 Kelley, K-E-L-L-E-Y, legal Counsel for Mr. Ware appearing
24 via Video Conference, uh, on, uh, Microsoft Teams.

25 **PRESIDING COMMISSIONER WEISS:** Okay. Uh, Mr. Ware,

1 just want to triple check. Can you see and hear, uh, the
2 three of us on the computer?

3 **ALPHONSO WARE:** Yes.

4 **PRESIDING COMMISSIONER WEISS:** Great. And my
5 colleague's making a tape recording. How's that going?

6 **DEPUTY COMMISSIONER METTE:** Let's actually pause
7 for one moment so I can check the quality. Give me one
8 second.

9 **[RECESS]**

10
11
12 **DEPUTY COMMISSIONER METTE:** All right. I just
13 checked the audio quality and we're coming in good.

14 **PRESIDING COMMISSIONER WEISS:** Okay. We are, we're on?

15 **DEPUTY COMMISSIONER METTE:** We are on record.

16 **PRESIDING COMMISSIONER WEISS:** All right. And it's
17 9:09 a.m. We're still on the record. All parties are
18 present. Mr. Ware, you can still see and hear me, right?

19 **ALPHONSO WARE:** Yes.

20 **PRESIDING COMMISSIONER WEISS:** Okay. Um, I do want you
21 to know at any point, uh, this morning, if you want to
22 take a break, it could be a long break or a quick break to
23 speak privately with your Attorney, uh, that's always
24 okay. Um, if I were in your shoes, I would be speaking
25 privately with my Attorney throughout the hearing. I think

1 it's one of the most critical rights we have in America
2 when our liberty is at stake, to speak privately with our
3 Lawyer. I want you to know that at any point, it, it
4 doesn't need to be a big deal. Uh, you can just wave at me
5 and say, can I speak to Ms. Kelley briefly? And we'll get
6 right out of your way so you can do that. Do you
7 understand that?

8 **ALPHONSO WARE:** Yes, I do.

9 **PRESIDING COMMISSIONER WEISS:** Okay. And I'm going to
10 put you under oath and I'm going to ask you some basic
11 background questions and then after we go through that, I
12 will then turn to Ms. Kelley, 'cause I know she wants to
13 make a presentation, but I do need to get some basic stuff
14 done first, sir. Um—

15 **ALPHONSO WARE:** Okay.

16 **PRESIDING COMMISSIONER WEISS:** So, please raise your
17 right hand so I can swear you in. Do you solemnly swear or
18 affirm that the testimony you give at this proceeding will
19 be the truth, the whole truth, and nothing but the truth?

20 **ALPHONSO WARE:** I do.

21 **PRESIDING COMMISSIONER WEISS:** Thank you, sir.

22 **ALPHONSO WARE:** Yes.

23 **PRESIDING COMMISSIONER WEISS:** Thank you. And you can
24 put your hand down. I see your birthday listed as very
25 soon, February 1, 1967. I hate doing math in my head. I

1 think that means, oh, man, you're about to turn 58 years
2 old. Did I get that right?

3 **ALPHONSO WARE:** Yes.

4 **PRESIDING COMMISSIONER WEISS:** It's a miracle. Um, I
5 believe that you were sent to state prison initially in
6 the year 1989. I think you were granted parole in the year
7 '19, I think you were violated in '22—

8 **ALPHONSO WARE:** Yes.

9 **PRESIDING COMMISSIONER WEISS:** And now you've been
10 back here since approximately '22. Am I getting that
11 right, sir?

12 **ALPHONSO WARE:** Yes, correct.

13 **PRESIDING COMMISSIONER WEISS:** Um, uh, there's a test
14 they give people in prison to assess their approximate
15 grade point level. And when you took that test, and you
16 probably took it a long time ago, I get that, um, the
17 result was, uh, basically an end of elementary school
18 level. So, before we get to where you are now, when you
19 were younger, what was the last level of school you
20 finished, please?

21 **ALPHONSO WARE:** The last, the last school I finished?

22 **PRESIDING COMMISSIONER WEISS:** Yeah, as a kid.

23 **ALPHONSO WARE:** Um, as a kid, um, sixth grade, I
24 guess.

25 **PRESIDING COMMISSIONER WEISS:** Where was that?

1 **ALPHONSO WARE:** I mean, as, as, as, um, the last, I'm
2 getting kind, I kind of feel <inaudible> because I'm, I'm,
3 the last school I, I finished as a kid, as not as an
4 adult, but a kid-

5 **PRESIDING COMMISSIONER WEISS:** As a kid, I wonder if
6 you, I want to know-- Yeah, I, by the way, I ask everyone
7 where they went to school, you know, like the name of
8 their school, if you went to high school, I'd want to know
9 the name of your school.

10 **ALPHONSO WARE:** Uh, the last school, the, uh, the, um,
11 junior, where the elementary school was, Lauren Miller
12 Junior High School at, um, sixth grade.

13 **PRESIDING COMMISSIONER WEISS:** Okay.

14 **ALPHONSO WARE:** As <inaudible> a kid.

15 **PRESIDING COMMISSIONER WEISS:** Got it. And then in
16 prison, have you done further education?

17 **ALPHONSO WARE:** Yes, um, I did. Um, I was in, um, uh,
18 I was up the hill up, up in here. Um, yeah. And, in, um,
19 level two up in the hill up in here. So-

20 **PRESIDING COMMISSIONER WEISS:** Level two is, did you
21 do a GED or is that ABE?

22 **ALPHONSO WARE:** No, that's, that's the, uh, GED or,
23 uh, BE2, something like that.

24 **PRESIDING COMMISSIONER WEISS:** Okay. Um, there's a
25 note in the file that they've given you some eyeglasses at

1 some point in time. Do you still have those?

2 **ALPHONSO WARE:** No, I don't. I got some, some, I got
3 some type of glasses right here, but the eyeglasses that,
4 uh, I was trying to get, they never gave to me. I'm still
5 having problems trying to get that too.

6 **PRESIDING COMMISSIONER WEISS:** All right. Uh, well,
7 what's your vision like right now? For example, can you
8 see the screen clearly?

9 **ALPHONSO WARE:** I, I can see, yeah. Yeah, I'm, I can
10 see pretty much close.

11 **PRESIDING COMMISSIONER WEISS:** Okay. They're supposed
12 to provide some sort of magnifying like sheet in that room
13 if you need to read anything. So, if you have any problems
14 reading something, please let me know, okay.

15 **ALPHONSO WARE:** Oh, I see.

16 **PRESIDING COMMISSIONER WEISS:** I think the Officer--
17 Thanks, Officer. Oh, cool. All right, there it is. Cool.
18 Great. Okay, I see a note that you're in the CCCMS
19 program. Is that, uh, still the case?

20 **ALPHONSO WARE:** Yes. DRP, yes. I'm, I'm taking the
21 medications.

22 **PRESIDING COMMISSIONER WEISS:** What medication are you
23 taking?

24 **ALPHONSO WARE:** I'm taking, uh, these two of them that
25 I'm taking is, um, one of them called, uh, uh, Nitrozone,

1 Nitrozone. And the other one, I really can't pronounce,
2 uh, uh, it says a <inaudible>.

3 **PRESIDING COMMISSIONER WEISS:** What are those meds--
4 What are they for, do you know?

5 **ALPHONSO WARE:** They're for reducing the, they for
6 reducing the urges and craving of, of alcohol.

7 **PRESIDING COMMISSIONER WEISS:** Okay. Uh, do you take
8 any other medicines these days?

9 **ALPHONSO WARE:** Uh, I'm taking my inhaler, uh, as far
10 as my asthma, my asthma goes, and I'm taking something and
11 I'm taking another medication for a, for acid reflex for
12 my stomach.

13 **PRESIDING COMMISSIONER WEISS:** Any of those medicines
14 make it hard to understand or answer questions today?

15 **ALPHONSO WARE:** Well, probably, probably the, uh,
16 Nitrozone, uh, uh, this, um, probably this Nitrozone. And
17 then the other one that I take.

18 **ATTORNEY KELLEY:** No, he asked if it's going, uh,
19 affect your ability to sit in this proceedings today. So,
20 do, do any of those--

21 **ALPHONSO WARE:** Oh, I thought--

22 **ATTORNEY KELLEY:** Um, like does it make you sleepy
23 or mess with your brain, you can't really think clearly,
24 that type of stuff, like, does, does, does, does, does
25 medications affect you, uh, in a way that might impact how

1 you present yourself today?

2 **ALPHONSO WARE:** It has not, not, uh, not, not, not,
3 not so, no, no. But, um, so, um, all right, no, no, no.

4 **PRESIDING COMMISSIONER WEISS:** Well, no, I need to
5 know, sir, if, um, sometimes we all take medicines that,
6 uh, hammer us or make us drowsy or make us easily confused
7 and that's something medicines do to people. That's not
8 anyone's fault. I just need to know how you're doing today
9 and if medicines have done anything like that to you.

10 **ALPHONSO WARE:** No, no, not this, not at the time. No,
11 I'm good. I'm cool. I'm good. I'm good.

12 **PRESIDING COMMISSIONER WEISS:** Okay. Well, if for some
13 reason that changes, will you please let me know?

14 **ALPHONSO WARE:** Yes.

15 **PRESIDING COMMISSIONER WEISS:** All right.
16 Commissioner, am I missing anything?

17 **DEPUTY COMMISSIONER METTE:** No, I believe you
18 covered everything.

19 **PRESIDING COMMISSIONER WEISS:** Counsel, anything you
20 want us to know about your client's capabilities or
21 conditions broadly construed?

22 **ATTORNEY KELLEY:** Uh, no, just, uh, for clarity, I
23 have documented the, uh, concern that Mr. Ware had
24 regarding, um, his, uh, glasses, which I've documented
25 more for seeing, uh, rather than reading. The glasses he

1 showed you were for, um, were for reading and Mr. Ware is
2 also part of CCCMS for his depression and anxiety. And we
3 are asking for, um, appointment as accommodation to assist
4 him with that. Other than that, you covered everything
5 else, sir.

6 **PRESIDING COMMISSIONER WEISS:** Okay. I find that he's
7 been accommodated for purposes of this hearing and with
8 that, um, we do that every time we have a proceeding, sir.
9 And with that, before we went, uh, on the record, Counsel
10 was telling me, uh, and I want to give her the chance to
11 now speak it broadly, that she had, I believe, expected to
12 be in person this week. And I believe she's suffered some
13 exposure to COVID, which is something that happens to all
14 of us. And so, as a precaution, she's not in person and I
15 wanted to recognize Counsel to see if she wanted to tell
16 us anything else in that regard.

17 **ATTORNEY KELLEY:** Uh, yes, sir. Um, uh, I was
18 expected to appear in person, uh, all week and, uh, as you
19 stated, I have had direct exposure to COVID and may very
20 well be experiencing symptoms as well. I will be tested,
21 uh, this week to confirm that. Uh, but so I'm not in the
22 institution. Mr. Ware does have a legal right to have his,
23 uh, legal Counsel physically present with him. He does not
24 choose to waive that right here today. And so, because I
25 cannot be in person there, we would, um, request a

1 postponement of Mr. Ware's, uh, hearing so that he can
2 have his Counsel present. In addition to that, uh, if
3 request for this Board is granted, if we could just put on
4 the record, if the scheduler, uh, can, uh, reappoint me as
5 Counsel, we can put him on the schedule, uh, sooner since
6 I don't need to get, uh, caught up to speed with Mr. Ware.
7 Um, and that's my request. Thank you.

8 **PRESIDING COMMISSIONER WEISS:** So, let me be very
9 clear before we get into sort of the legal issues of a
10 request for, uh, a postponement based on, um, Attorney
11 inability to be in person, um, uh, out of all the power
12 and authority that the state of California has given me
13 and Commissioner Mette, uh, it does not include the
14 ability to, uh, suggest anything in terms of dates for new
15 hearings or Attorney appointment processes. That stuff is
16 just done by systems that we have no impact on. So, uh, I
17 wish it were otherwise because I'd like to control my own
18 calendar, and it would be great to see you again, but I
19 just wanted to be very clear we have no impact on that.

20 **ATTORNEY KELLEY:** Uh, no, I understand, sir. Um,
21 uh, if the Board, uh, again, we make this request, if they
22 can, the schedulers will look at what you document today,
23 and if you put it in there to try, then they'll see that.
24 And they <inaudible> able to, uh, reappoint me and get
25 these clients on sooner during postponement. So, that's

1 why we just ask if you can state it on there with the
2 understanding that you have no power to make that happen,
3 but the schedulers will see it, um, and we might—

4 **PRESIDING COMMISSIONER WEISS:** Okay, okay, okay. I
5 mean, we'll try, I just, if anyone thinks that our word
6 matters in that regard, um, there they might be wrong. Um,
7 so Mr. Ware, did you just hear what your Lawyer said
8 about, uh, her ability to not be there with you today?

9 **ALPHONSO WARE:** Yes.

10 **PRESIDING COMMISSIONER WEISS:** Um, now you have a
11 right to have your Lawyer present in person. I believe
12 that is a correct reading of our regulations. Um, and at
13 the same time, you also have a right to a parole hearing
14 today, sir.

15 **ALPHONSO WARE:** Yes, I understand.

16 **PRESIDING COMMISSIONER WEISS:** And if this hearing is
17 postponed, that means you won't have a hearing today.

18 **ALPHONSO WARE:** Correct.

19 **PRESIDING COMMISSIONER WEISS:** Do you understand that?

20 **ALPHONSO WARE:** Yes.

21 **PRESIDING COMMISSIONER WEISS:** And it could be, could
22 be as much as six months before the hearing gets
23 rescheduled. I don't think that's what it'll be, but it
24 could be. And I want to make sure you understand that,
25 sir, especially because you're in the annual process. Uh,

1 so a six-month delay on a hearing that happens once every
2 year is kind of a big deal, would seem to me, and I want
3 to make sure you understand that, Mr. Ware.

4 **ALPHONSO WARE:** Yes, I do.

5 **PRESIDING COMMISSIONER WEISS:** And this is a, uh, I
6 have a great deal of respect for the Lawyer-client
7 relationship. I'm a Lawyer myself, I appreciate it. I will
8 tell both of you that what the Board cares about in terms
9 of, uh, the value, the public policy value that we care
10 about in this regard is that the Lawyer and client are
11 able to effectively communicate with each other. And, uh,
12 most of the hearings I conduct are on video. And whenever
13 a Lawyer or a client wants to take five or 10 or whatever
14 to speak privately during a Video Conference, we'll always
15 give you that chance. And, um, I can't tell you what to
16 do, but I can tell you, we will make it possible for you
17 to speak with your Lawyer throughout this hearing in
18 private, uh, if you chose, if you choose to go forward
19 today. Do you understand that?

20 **ALPHONSO WARE:** No. I understand that. I, I, I
21 <inaudible> to you. Yes, I understand.

22 **PRESIDING COMMISSIONER WEISS:** Okay. And Counsel, I
23 want you to know that as well. It's not your right to
24 waive, it's his right to waive, but I want to make that
25 very clear that, that the value we are trying to protect

1 here is effective communication. And I believe we can
2 effectively do that even by video.

3 **ATTORNEY KELLEY:** Uh, yes, sir. Um, and I'll just
4 add, uh, for more clarity specifically, uh, because of
5 some of Mr. Ware's, uh, conditions for which he
6 participates in CCCMS, part of that accommodation is how I
7 would serve him in person with those conditions during a
8 hearing. That can't necessarily be carried out via video.
9 Um, but I do, so for Mr. Ware's specific case factors, he
10 will require his Counsel in person.

11 **PRESIDING COMMISSIONER WEISS:** I appreciate that
12 clarification and that bit of, uh, additional bit of call
13 it evidentiary background up against, uh, you know, the
14 waiver either does or doesn't happen, but, but you're
15 saying that there are accommodation, CCCMS related reasons
16 that would relate to either representation or
17 communication capabilities?

18 **ATTORNEY KELLEY:** Yes, sir, 'cause quite frankly,
19 someone with an anxiety disorder such as Mr. Ware, I'm
20 much more able to be, uh, uh, effectively accommodate him.
21 I can anticipate, observe certain, um, um, things he may
22 do if he's sort of narrowing in his mind that I can't
23 necessarily do as effectively by video. So, for situations
24 such as Mr. Ware, it's way more effective for me to be
25 able to accommodate him in person. Um, he wishes for that

1 too. So, for these specific reasons, um, for his case, uh,
2 that's why we're making the, um, the request. But I
3 appreciate the, uh, the Panel, uh, explaining to Mr. Ware,
4 uh, the process, their willingness to accommodate however
5 much we need to communicate to establish effective
6 communication. Um, we appreciate that.

7 **PRESIDING COMMISSIONER WEISS:** And I appreciate
8 Counsel putting that on the record. That added depth. Mr.
9 Ware, I have another question for you. Did you hear the
10 conversation your Lawyer and I just had?

11 **ALPHONSO WARE:** Yes. And, um, by me having depression
12 and being CCCMS, I do feel the presence of my Lawyer, I
13 feel more comfortable in the presence of any, any Lawyer
14 that represent me, you know, it makes me feel more
15 comfortable.

16 **PRESIDING COMMISSIONER WEISS:** Okay, we're going to
17 take about a, under five-minute break. It might be as
18 short as two. We'll come back to you guys. Uh, while we're
19 gone, feel free to discuss this, uh, together so that if
20 for some reason when we come back on the record, if there
21 is a change in position, please tell us. We're going to
22 have a conversation about the request that you've made
23 with an intent to rule on it when we come back. The time
24 is now 9:25 a.m. We're off the record. The two of you will
25 be alone here.

ATTORNEY KELLEY: Thank you.

[RECESS]

CALIFORNIA BOARD OF PAROLE HEARINGS**DECISION**

DEPUTY COMMISSIONER METTE: We are back on record.

PRESIDING COMMISSIONER WEISS: 9:28 a.m. We're back on the record. All parties are present. Mr. Ware, can you still see and hear me?

ALPHONSO WARE: Yes.

PRESIDING COMMISSIONER WEISS: Okay. So, my colleague and I had a brief conversation, uh, on Counsel's presentation and our discussion with Mr. Ware. We do think we understand everything. Before I, I get to the ruling, if there's any reason that you, that, that anything has changed, Counsel, would you please tell me?

ATTORNEY KELLEY: Uh, nothing's changed, sir.

PRESIDING COMMISSIONER WEISS: Okay. So, um, uh, we do find that, that this meets the standards, uh, for postponement, um, as set forth in our regulations. Um, and we do appreciate Counsel's additional proffer, um, regarding the specifics in this case. I think it's, it's important that Counsel did that and, uh, it's very professional and it's of, uh, assistance to the Panel. So, we appreciate that, Counsel. Um, and so Mr. Ware, we will grant the request for postponement, um, and, uh, this matter will be scheduled for what they call next available

1 calendar. Um, it gets a little, it's like playing multi-
2 dimensional chess, like what's, like, you're available
3 tomorrow, but the calendar probably isn't. So, and, and
4 your Lawyer needs to get tested anyway. We will put a note
5 in the file, um, that Counsel and client, uh, would prefer
6 that Counsel, uh, remain engaged. But we don't have, um,
7 we don't have that button. I, I don't have a button, and
8 Commissioner Mette doesn't. We'd push it if we did, but we
9 don't, so I don't want anyone to ever get the wrong
10 impression. So, that's what we're going to do. Um, and,
11 uh, Mr. Ware, um, please keep working between now and that
12 time. Please keep working on everything.

13 **ALPHONSO WARE:** Thank you.

14 **PRESIDING COMMISSIONER WEISS:** Do not let a day go by
15 where you do not work diligently on your programming. Is
16 that clear, sir?

17 **ALPHONSO WARE:** That's clear. Thank you. Thank you.

18 **PRESIDING COMMISSIONER WEISS:** And I believe you were,
19 was it Commissioner Sharrieff you were in front of, uh,
20 last year? Am I right about that?

21 **ALPHONSO WARE:** Yes.

22 **PRESIDING COMMISSIONER WEISS:** Okay. Commissioner
23 Sharrieff was very clear in his decision, so, um, if you,
24 I hope you have a copy of that transcript and I hope you

25 **ALPHONSO WARE E27342 01/28/2025 DECISION PAGE 2**

1 study it between now and your hearing, sir.

2 **ALPHONSO WARE:** Yes.

3 **PRESIDING COMMISSIONER WEISS:** Good. That'll be what
4 we're doing today. Counsel, anything else?

5 **ATTORNEY KELLEY:** Uh, no, sir.

6 **PRESIDING COMMISSIONER WEISS:** Okay. We are adjourned
7 here at 9:31 a.m. Good luck, sir.
