PROCEEDINGS

DEPUTY COMMISSIONER LAM: We're on record.

PRESIDING COMMISSIONER DOBBS: All right, we are on the record. Today's date is January 14, 2025. The time is now 11:15 a.m. And we are conducting this hearing by video conference. Mr. White, can you see and hear me clearly?

MICHAEL WHITE: Yes, ma'am.

PRESIDING COMMISSIONER DOBBS: If that changes sir, please let us know right away. You're coming through loudly and clearly for me. How about you, Commissioner?

DEPUTY COMMISSIONER LAM: He's clear. Thank you.

PRESIDING COMMISSIONER DOBBS: So this is a first subsequent Parole Suitability Hearing for Michael White. Mr. White is present in the BPH Hearing Room at, uh, CIM, along with his attorney. All other participants are appearing by video conference and we will all identify ourselves shortly. Uh, Mr. White, you are, um, qualified for elder parole consideration. So this Panel is required to give special consideration to the elder parole factors in deciding your suitability for parole. For purposes of voice identification, I will call on each participant. And when I do, please give me your first name and spell your last name when we get to you, Mr. White. Please also give us your CDCR Number. And for our victim's family members present, um, when I call on you, please also give us your relationship to

1 the deceased victim. I will go first. My name is Dianne
2 Dobbs, D-O-B-B-S, Presiding Commissioner, Board of Parole
3 Hearings. Commissioner Lam?

4 **DEPUTY COMMISSIONER LAM:** Nga Lam. Last name L-A-M,
5 Deputy Commissioner with Board of Parole Hearings.

6 **PRESIDING COMMISSIONER DOBBS:** Mr. Iyayi?

7 **ATTORNEY IYAYI:** Good morning. Daniel Iyayi, I-Y-A-Y-I,
8 counsel for Mr. White, appearing along with Mr. White here at
9 CIM in Chino.

10 **PRESIDING COMMISSIONER DOBBS:** Mr. White?

11 **MICHAEL WHITE:** Yes.

12 **ATTORNEY IYAYI:** State your first and last name, spell
13 your last name, and state your CDCR Number.

14 **MICHAEL WHITE:** Michael White, W-H-I-T-E, P number
15 64249. Thank you.

16 **PRESIDING COMMISSIONER DOBBS:** All right, uh, Ms.
17 Alexander.

18 **LASHAWNTE ALEXANDER:** Good morning. My name is
19 LaShawnte Alexander. Last name Alexander, A-L-E-X-A-N-D-E-R.
20 I am the daughter of the victim.

21 **PRESIDING COMMISSIONER DOBBS:** And the next person who's
22 there with you?

23 **DARYL REED:** Daryl -- Daryl, D-A-R-Y-L, Reed. Brother.

24 **PRESIDING COMMISSIONER DOBBS:** And spell Reed please?

25 **DARYL REED:** R-E-E-D.

1 **PRESIDING COMMISSIONER DOBBS:** Thank you. Um, who's
2 next in that room?

3 **ROSE HAWKINS:** Rose Hawkins, H-A-W-K-I-N-S. I'm sister.

4 **PRESIDING COMMISSIONER DOBBS:** Thank you. Um, next?

5 **ALVIN TATE:** Alvin Tate. Tate, T-A-T-E. Brother.

6 **PRESIDING COMMISSIONER DOBBS:** Thank you. Is there
7 anyone else in that room?

8 **LINDA HEARN:** Linda Hearn, H-E-A-R-N. Sister.

9 **PRESIDING COMMISSIONER DOBBS:** Thank you. All right.
10 And then let's go to, uh, Daryl. Um, uh, let's see. Dorian?

11 **DORIAN JENKINS:** Yes. Dorian Jenkins. That's J-E-N-K-
12 I-N-S. Nephew.

13 **PRESIDING COMMISSIONER DOBBS:** And Marcus.

14 **MARCUS GERMANY:** Marcus Germany, G-E-R-M-A-N-Y.
15 Grandson.

16 **PRESIDING COMMISSIONER DOBBS:** Thank you. Um, and who -
17 - who am I missing? Um, Aaron.

18 **AARON JENKINS:** Aaron Jenkins, J-E-N-K-I-N-S. Nephew.

19 **PRESIDING COMMISSIONER DOBBS:** And who did I miss?

20 **SHAUN BONNER:** Shaun Bonner, B-O-N-N-E-R. The son of
21 the deceased.

22 **PRESIDING COMMISSIONER DOBBS:** Thank you, Mr. Bonner. I
23 think that's everyone, right?

24 **RANDY HAWKINS:** Oh, Randy Hawkins. Uh, H-A-W-K-I-N-S.
25 Uh, nephew.

1 **PRESIDING COMMISSIONER DOBBS:** Thank you Mr. Hawkins.
2 All right, so there are correctional officers there at the
3 facility --

4 **DEPUTY COMMISSIONER LAM:** Oh, Commissioner --

5 **PRESIDING COMMISSIONER DOBBS:** -- with Ms. -- yes.

6 **DEPUTY COMMISSIONER LAM:** Commissioner. I thought I,
7 uh, just, uh, let in Bryan Wilkerson. I saw the word
8 Wilkerson. I don't know what happened.

9 **PRESIDING COMMISSIONER DOBBS:** Yeah, I don't know what
10 happened either.

11 **DEPUTY COMMISSIONER LAM:** Yeah, he just signed.

12 **PRESIDING COMMISSIONER DOBBS:** All right. If --

13 **DEPUTY COMMISSIONER LAM:** Yeah, he just signed in but he
14 disappeared.

15 **PRESIDING COMMISSIONER DOBBS:** If he comes back we will
16 -- we will give him a chance to introduce himself. Uh, but
17 there are correctional officers there at the facility with
18 Mr. White. They're there for security purposes only.
19 Commissioner do we need to pause to check the audio?

20 **DEPUTY COMMISSIONER LAM:** No, we're good to go.

21 **PRESIDING COMMISSIONER DOBBS:** All right. Um, so as I
22 mentioned, this proceeding is being recorded that is mandated
23 by Penal Code section 30 -- hold on one second. Um, Mr.
24 Wilkerson, is that you?

25 **BRYAN WILKERSON:** Hello?

1 **PRESIDING COMMISSIONER DOBBS:** Hello, who am I speaking
2 with?

3 **BRYAN WILKERSON:** Bryan Wilkerson.

4 **PRESIDING COMMISSIONER DOBBS:** Um, Mr. Wilkerson, we
5 were just at the point where we just had everyone introduce
6 your -- themselves. If you would just give us your first
7 name and spell your last name and give us your relationship
8 to the deceased victim, please.

9 **BRYAN WILKERSON:** Um, Bryan Wilkerson, W-I-L-K-E-R-S-O-
10 N. And um, that was my grandmother, I'm grandson.

11 **PRESIDING COMMISSIONER DOBBS:** Thank you. Thank you for
12 being here, sir. All right, you can go ahead and mute
13 yourself for now. Thank you. All right, so, as I mentioned,
14 this proceeding is being recorded as mandated by Penal Code
15 section 3042 subdivision (b). It will be transcribed as the
16 official record of this hearing. No other recordings are
17 authorized, including a recording available through the video
18 conference software, and a violation of this provision may
19 result in exclusion from this or future hearings. So, um,
20 before we take Mr. White's request for the record, I just
21 need to do a little bit more preliminaries. Um, before I do
22 that, Mr. White, I'd like to swear you in if you would please
23 raise your right hand. Do you solemnly swear or affirm that
24 the testimony you give at this hearing will be the truth, the
25 whole truth, and nothing but the truth?

1 **MICHAEL WHITE:** Yes, ma'am.

2 **PRESIDING COMMISSIONER DOBBS:** Thank you. You may lower
3 your arm. All right, Mr. White, so the record shows that you
4 were born May 25, 1952, that you were 36 and 46 at the time
5 of these crimes. Excuse me, you are now 72 and have been
6 incarcerated 26 years and about four months. That sound
7 accurate?

8 **MICHAEL WHITE:** Yes.

9 **PRESIDING COMMISSIONER DOBBS:** All right. We do need to
10 do a review under the Americans with Disabilities Act. I did
11 have a chance to review the DECS database system in your form
12 1073. It indicates you have a 7.0 TABE score for
13 accommodation. It notes that you wear glasses and I -- I
14 think I see you wearing your glasses today.

15 **MICHAEL WHITE:** Hmm.

16 **PRESIDING COMMISSIONER DOBBS:** If at any time you have
17 to read anything and you find that those aren't working well,
18 the officers can also provide you with a magnifying device.
19 The record indicates that you use compression stockings. So
20 you're wearing those today?

21 **MICHAEL WHITE:** No, I don't use those anymore.

22 **PRESIDING COMMISSIONER DOBBS:** Okay. All right. Um,
23 are there any other accommodations that you will need for
24 today's hearing?

25 **MICHAEL WHITE:** No.

1 **PRESIDING COMMISSIONER DOBBS:** I see from the record
2 that you, um, do not have a GED or a high school diploma. Is
3 that correct?

4 **MICHAEL WHITE:** Yes.

5 **PRESIDING COMMISSIONER DOBBS:** And I see that you have
6 been a part of the mental services, but not currently. Is
7 that right?

8 **MICHAEL WHITE:** Yes.

9 **PRESIDING COMMISSIONER DOBBS:** Are you on any
10 medications today that would affect your ability to fully
11 participate? So anything that makes you sleepy or make it
12 hard for you to pay attention or concentrate?

13 **MICHAEL WHITE:** No.

14 **PRESIDING COMMISSIONER DOBBS:** Mr. Iyayi, do you believe
15 any further accommodations are needed for your client today?

16 **ATTORNEY IYAYI:** Uh, no, Commissioner. It's not at this
17 point. Thank you.

18 **PRESIDING COMMISSIONER DOBBS:** All right. The Panel
19 will hear your request.

20 **ATTORNEY IYAYI:** Thank you, Commissioners. Um, Mr.
21 White, uh, acknowledges at this point, uh, that he's not
22 suitable for parole, uh, that he's got work to do, uh, to,
23 uh, address, uh, the risk factors pointed out in the recently
24 concluded, uh, Comprehensive Risk Assessment, uh, he also
25 wishes to have the time to demonstrate ability to comply with

1 the rules and regulations in prison and -- and to engage in
2 programs and develop robust parole plans and relapse
3 prevention plans. Um, he believes that a three-year period,
4 uh, that he's requesting will provide him sufficient time,
5 uh, to, uh, complete work in these areas. And, uh, so that
6 is the basis, uh, for the stipulation request Commissioner,
7 sir. And I might just add that Mr. White is 72 years old as
8 the Commissioner noted a stipulation of responsibility for a
9 period of three years does not guarantee that Mr. White will
10 be found suitable in three years. He still has to put in the
11 work and come back and demonstrate to a partner of the parole
12 Board, uh, that he's suitable for parole. So there's no
13 guarantee, uh, that he gets suitable in three years. He has
14 to -- he has to put in the work to earn it. Uh, so I just
15 wanted to say that, um, you know, Commissioners, but again,
16 because of his age does qualify for the parole factors. Uh,
17 we believe that the three-year, uh, request is also a
18 statement of insight and accountability on his path. He's
19 not in denial, uh, about the work that he needs to do. Thank
20 you, Commissioners.

21 **PRESIDING COMMISSIONER DOBBS:** Thank you. Uh, Mr.
22 White, is that your request for the Panel today?

23 **MICHAEL WHITE:** Yes, ma'am.

24 **PRESIDING COMMISSIONER DOBBS:** Uh, do you understand
25 that you have a right to have a full hearing and if your

1 request is granted that you will be given up the right to a
2 full hearing today?

3 **MICHAEL WHITE:** Yes.

4 **PRESIDING COMMISSIONER DOBBS:** Has anyone in any way
5 made promises to you or threatened you or to your knowledge,
6 made promises or threatened anyone close to you to get you to
7 ask for this stipulation?

8 **MICHAEL WHITE:** No, ma'am.

9 **PRESIDING COMMISSIONER DOBBS:** You understand that if
10 your request is granted that you will not have an
11 administrative review available to you, but that you would
12 still have the ability to file a petition to advance?

13 **MICHAEL WHITE:** Yes, ma'am.

14 **PRESIDING COMMISSIONER DOBBS:** Uh, Mr. Iyayi, do you
15 believe your client is making a knowing and intelligent
16 waiver of his rights to a full hearing?

17 **ATTORNEY IYAYI:** I believe so, Commissioners. Thank
18 you.

19 **PRESIDING COMMISSIONER DOBBS:** I also find Mr. White
20 that you are making a knowing and intelligent waiver of your
21 right to a full hearing. Um, so at this time what we will
22 do, um, is um, turn to our victims present to see if they
23 want to be heard on the request for a stipulation upon
24 suitability for a period of 3 years. So if anyone would like
25 to be heard, if you'll just go ahead and -- and unmute, um,

1 so that we can receive your comments.

2 **DORIAN JENKINS:** How would you like us to proceed? Will
3 you call on us one at a time or for us just to jump in?

4 **PRESIDING COMMISSIONER DOBBS:** Why didn't I just call on
5 you one at -- one at a time.

6 **DORIAN JENKINS:** All right.

7 **PRESIDING COMMISSIONER DOBBS:** Let me -- let me just
8 pull up my list again.

9 **DORIAN JENKINS:** Okay.

10 **PRESIDING COMMISSIONER DOBBS:** All right, well, since
11 you spoke up, you can go first.

12 **DORIAN JENKINS:** I didn't think you wanted us a free
13 fall -- for all. Um, this is Dorian Jenkins once again. Um,
14 I believe we had a -- not believe, I know that we had a -- a
15 -- another preliminary hearing or another hearing on this
16 topic a few years ago. And the, um, Mr. White made the same
17 request. So in my opinion, um, I think he should get the max
18 according to the law because it's apparent that he didn't put
19 in the work that he said he was going to do during the last
20 request and that he has no intention of putting in the work
21 to make himself, uh, a viable, um, part of, um, the community
22 or a citizen. So, and the damage that he's done to this
23 family is irreparable and there is no timeframe on us being
24 able to, um, get over what he has done. So in my opinion, I
25 think he should receive the maximum amount of time allowable

1 and -- yep, I'm going to stop there.

2 **PRESIDING COMMISSIONER DOBBS:** Thank you, Mr. Jenkins.
3 Uh, Mr. Wilkerson?

4 **BRYAN WILKERSON:** Yes. Um, Bryan Wilkerson, I'm going
5 to go ahead and agree. I don't feel that he is even taking
6 the steps to show, you know, any progress or anything that he
7 needs to do either. And, um, I feel I don't think anything
8 should be granted in any hearings. Thank you.

9 **PRESIDING COMMISSIONER DOBBS:** Thank you, sir. Uh, Mr.
10 Germany?

11 **MARCUS GERMANY:** No comment.

12 **PRESIDING COMMISSIONER DOBBS:** Thank you, sir. Um, Mr.
13 Bonner?

14 **SHAUN BONNER:** Uh, I feel the same way as my family
15 feel. This man has, um, hasn't put in the work and, um, I
16 totally think he should get the max. Thank you.

17 **PRESIDING COMMISSIONER DOBBS:** Thank you, sir. Um --
18 um, LaShawnte, Ms. -- Ms. Alexander? Ms. Alexander, you're
19 muted. If you're speaking to us, we can't hear you.

20 **LASHAWNTE ALEXANDER:** Okay. I agree with my family
21 members. Um, I gave my impact statement during the last
22 Parole Board Hearing, and it still -- is obvious that this
23 person has not made any attempts to rehabil -- really --
24 rehabilitate himself. And I really don't believe that
25 there's anything that he could do to rehabil -- rehabilitate

1 himself from such a hyena's crime here. Um, as my cousin
2 mentioned, this has impacted our family greatly. Myself, I
3 struggle with this a lot and just having to continuously come
4 here and revisit, it's very triggering to me. And I do not
5 think that he is suitable for any hearing or consideration at
6 all, ever.

7 **PRESIDING COMMISSIONER DOBBS:** Thank you. Uh, Mr. Tate?

8 **ALVIN TATE:** My family. You know, like I said, these --
9 that person has, you know, causes our -- our family a lot of
10 pain. We still not -- we still hasn't got over the pain he
11 caused us. So I feel like he should get the max and, you
12 know, uh, that's nothing else to say, you know, that he gets
13 the max.

14 **PRESIDING COMMISSIONER DOBBS:** Thank you, sir. Uh, Ms.
15 Hawkins?

16 **ROSE HAWKINS:** Um, I don't believe he -- he's ever had
17 any remorse in -- in -- on what he's done to this family.
18 Um, I believe he should get the max. That's all I have to
19 say.

20 **PRESIDING COMMISSIONER DOBBS:** Thank you. Um, Mr. Reed?

21 **DARYL REED:** I, um, I -- look man, tell my friend that
22 was my friend. Okay. They all want him to have the max. I
23 don't, I'm going to see him out here face to face. Face to
24 face because what he did to my sister, I -- there's just no --
25 - there's just no words. I just understand. And then for

1 him to say she know why, what is it that she know? -- what
2 is it that she know? -- what is it that she know? Mr. I
3 don't understand because I've been to pen all my life and the
4 last few times I've been inside the prison man, is to look
5 for you, bro. Is to look for you, bro. How could you kill
6 my friend, bro? They all say I knew you. They say, I knew
7 you, you been to my house. Well, I remember your face for
8 some reason. I don't remember your face, bro.

9 **PRESIDING COMMISSIONER DOBBS:** So, um, uh, Mr. Reed, I'm
10 going to -- I'm going to stop you there because I -- I need
11 you to direct your comments to the Panel. Um, and at this
12 time we were looking for comments related to the request
13 only. You will get a chance in a moment to give your full
14 victim impact statement if you'd like to do so. Um, so if
15 you have anything else to say about the request, I'll take
16 that right now.

17 **DARYL REED:** I don't agree -- I don't agree.

18 **PRESIDING COMMISSIONER DOBBS:** All right. Thank --
19 thank you, sir. Um, then I think the last person is, uh,
20 Aaron?

21 **AARON JENKINS:** Yeah, I agree with my family members.
22 He has shown no remorse. He has not put in any work and he
23 doesn't even deserve to be out at any point in his life. He
24 should live there, um, with the maximum amount that's
25 available to us as a family 'cause, uh, he shows no remorse.

1 Thank you.

2 **PRESIDING COMMISSIONER DOBBS:** Thank you. All right.

3 So we are going to take a brief recess so that we can
4 deliberate on the request and we'll be back with our decision
5 shortly.

6 **[RECESS]**

CALIFORNIA BOARD OF PAROLE HEARINGS**DECISION**

DEPUTY COMMISSIONER LAM: We're back on the record.

PRESIDING COMMISSIONER DOBBS: We are back on the record. Time is now 11:39 a.m. All parties previously identified have returned. So the Panel have an opportunity to deliberate on the request for a stipulation of unsuitability for a period of three years. And, um, to be frank, Mr. Iyayi, we -- we cannot, uh, cannot grant a three-year stipulation. Not under the circumstances where, you know, we have 2023 battery, 2024 fight, you know, 2024 use of alcohol, um, and then other lesser violations. It's as though Mr. White has ramped up his level of violence, um, and disregard for the rules in the prison at 72 years old. And that coupled with the limits in his programs, very little programming in 26 years, um, does not sit well with this Panel -- does not sit well with this Panel. And the lack of programming, the lack of regard for the family members, having to drag them back to these hearings, um, on a regular basis, you know, really speaks -- speaks volume about, um, the lack of demonstration of remorse in this case. So a three-year denial is not appropriate. So I don't know if you want to speak to your client and come back. What would you like to do?

MICHAEL WHITE P64249 01/14/2025 DECISION PAGE 1

1 **ATTORNEY IYAYI:** Sorry, we're muted. Um, may I have a
2 chance to confer, uh, with Mr. White, Commissioners?

3 **PRESIDING COMMISSIONER DOBBS:** Absolutely. All right,
4 we will go off record. Time is 11:41 a.m.

5 **[RECESS]**
6
7

8 **DEPUTY COMMISSIONER LAM:** We're back on the record.

9 **PRESIDING COMMISSIONER DOBBS:** We are back on the
10 record. Time is 11:46 a.m. All parties previously
11 identified have return. Mr. Iyayi?

12 **ATTORNEY IYAYI:** Uh, thank you Commissioner. I -- I did
13 have, um, a chance to again, explain to my client that just
14 as a three-year stipulation is no guarantee that he'll be
15 found suitable for parole in three years. Uh, that
16 requesting a five-year stipulation, uh, also doesn't mean,
17 uh, that he has to wait for five years if he does put in the
18 work and, you know, stay out of trouble, engage in a lot of
19 programs to address his risk factors that he could Petition
20 to Advance, uh, you know, his hearing. So with that
21 understanding Commissioners, uh, he is, um, willing to enter
22 a five-year stipulation of unsuitability, uh, at this point.
23 And so we'll be amending the motion, uh, previously, uh,
24 presented to the Panel. Thank you.

25 **MICHAEL WHITE P64249 01/14/2025 DECISION PAGE 2**

1 **PRESIDING COMMISSIONER DOBBS:** Thank you. Um, so
2 regarding the, um, victim statements re, um, as related to
3 the stipulation, um, given that everyone's comment basically
4 was, um, that it should be the -- the -- the longest time
5 possible, I'm assuming that no one wants to be reheard again,
6 right?

7 **LASHAWNTE ALEXANDER:** Well, I have, uh, two family
8 members and including myself I do want to share a little bit,
9 but I have two people here.

10 **PRESIDING COMMISSIONER DOBBS:** Uh, no -- no -- no, I'm
11 not -- I'm not asking for your victim impact statement yet.
12 I'm just asking now that the request is for five years, given
13 that all of you had said that he should get the longest
14 possible time, um, and that three years wasn't enough, I'm
15 assuming then that you don't want me to call on you again now
16 that he's asking for five, right?

17 **DORIAN JENKINS:** Yes, this is Dorian because my, um,
18 opinion hasn't changed, so, no.

19 **PRESIDING COMMISSIONER DOBBS:** Yeah, I -- I -- I would
20 assume that. All right, so Commissioner, um, do you need to
21 speak to me again or are we good?

22 **DEPUTY COMMISSIONER LAM:** No, I think five is more
23 appropriate.

24 **PRESIDING COMMISSIONER DOBBS:** All right. Um, the Panel

25 **MICHAEL WHITE P64249 01/14/2025 DECISION PAGE 3**

1 is, uh, prepared to grant the request for a stipulation of
2 unsuitability for a period of five years. You know, with the
3 understanding, Mr. White, that we're going to a hearing
4 today, given your -- your record that if it were to be a
5 denial, it would definitely be more than five. So you're
6 getting a gift with a five-year stipulation.

7 **MICHAEL WHITE:** Yes, ma'am.

8 **PRESIDING COMMISSIONER DOBBS:** And what needs to happen
9 in that -- in that period of time is that you have to, number
10 one, stop violating the rules, stop engaging in violent
11 behavior, stop using, um, prohibited substances, and you have
12 to work on the issues that brought you here. That's what
13 this process is about. And it's really pointless to drag
14 these family members to a hearing when you haven't done the
15 work. It's actually cruel. Anything further, Commissioner?

16 **DEPUTY COMMISSIONER LAM:** No. I -- I just hope he takes
17 his freedom, his life more seriously. Uh, I don't know if
18 the drug use and he is reverting back to substance use, but
19 it's getting worse. Uh, so reach out for help -- reach out
20 for help. Okay? Nothing more, Commissioner.

21 **PRESIDING COMMISSIONER DOBBS:** Thank you. Um, so the
22 Panel, um, has granted the request for a stipulation on
23 suitability for a five-year period. So at this time, I will
24 call on our victims again to see if at this time you would

25 **MICHAEL WHITE P64249 01/14/2025 DECISION PAGE 4**

1 like to give your full victim impact statement. Um, we'll
2 start with Ms. Alexander.

3 **LASHAWNTE ALEXANDER:** Um, I have a quick question before
4 I begin.

5 **PRESIDING COMMISSIONER DOBBS:** Yes, ma'am.

6 **LASHAWNTE ALEXANDER:** The impact statement that I gave a
7 few years ago, is it still on record?

8 **PRESIDING COMMISSIONER DOBBS:** We do have it as part of
9 the record, yes.

10 **LASHAWNTE ALEXANDER:** Okay, perfect. Um, everything
11 that I said in that impact statement before still stands.
12 However, I just want to reiterate the fact that we are still
13 very much traumatized in dealing with all of the emotions
14 that come up along with the crime as if it happened today.
15 And this constant reminder of this person's actions is very
16 disrespectful. I think that what this person should do is
17 just go ahead and lay down and rest the rest remaining of his
18 days there because the free world is not for him. And I am
19 not interested in ever being okay with allowing this person
20 to be free. I know that revenge is not mine to have, and I
21 know that I'm supposed to forgive, but I cannot find it in my
22 heart to do so, and I don't think that it will ever be a time
23 that I would. And so in -- instead of dragging us through
24 this situation, my son's included, I think this person just

25 **MICHAEL WHITE P64249 01/14/2025 DECISION PAGE 5**

1 needs to lay down and go to sleep and not wake up. And
2 that's all I have to say.

3 **PRESIDING COMMISSIONER DOBBS:** Thank you, Ms. Alexander.
4 Um, Mr. Wilkerson, um, do you want to be heard, um, do you
5 want to give your full victim impact statement at this time?

6 **BRYAN WILKERSON:** Yes. Um, I still feel the same as I
7 did last time also. And, um, I'm going to go ahead and agree
8 with my mom. It's really pointless for you to, um, you know,
9 keep a trend like you're this person or you becoming this
10 person and you're obviously the same person you were from day
11 one. Um, and that's obvious just by your -- your own
12 actions. So, um, I just really hope that, uh, when this all
13 does come to an end, you are, um, where you should be, which
14 is where you are right now. Thank you.

15 **PRESIDING COMMISSIONER DOBBS:** Thank you, sir. Um, I
16 just want to remind everyone, if you would just direct your,
17 uh, comments to the Panel, that would be much appreciated.
18 Uh, Mr. Germany, (inaudible), Mr. Germany. All right, let's
19 go to Mr. Bonner.

20 **SHAUN BONNER:** Um, I feel the same as my family does.
21 Um, we've been going through a lot, like my sister -- sister
22 said, it's like we're reliving the exact same thing over and
23 over and over every time we come to these hearings. And, um,
24 I agree he should. Uh, I -- I just want to thank you guys

25 **MICHAEL WHITE P64249 01/14/2025 DECISION PAGE 6**

1 for putting up with us and um, we're trying our best to
2 direct it to the Panel. And, um, this what happens when
3 you're dealing with a lot of emotion and apparently this, we
4 haven't gotten over it and, um, he hasn't gotten over it. So
5 I would think that 30 years would be a better, he should come
6 back in 30, 40 years. Thank you.

7 **PRESIDING COMMISSIONER DOBBS:** Thank you. And you don't
8 have to apologize Mr. Bonner. Um, uh, Dorian Jenkins.

9 **DORIAN JENKINS:** Um, in my opinion, um, I'm glad that
10 our previous impact statements are on the record and they'll
11 continue to be part of his file, but I think having us
12 relieve this every few years, even five years from now is a
13 part of his grand plan to have us relive what he did to this
14 family. So I again want to repeat, um, that he doesn't
15 deserve five years. He doesn't deserve 10 years, he deserves
16 the max. And to live out the rest of his days where he is
17 currently, um, I don't think it's fair to us for him to have
18 the opportunity to drag us through this every few years and
19 put this family through, um, this pain over and over again.
20 Um, and I'm just going to end there. Thank you.

21 **PRESIDING COMMISSIONER DOBBS:** Thank you, Mr. Jenkins.
22 Mr. Tate?

23 **ALVIN TATE:** Yes. You know, it is hard to get out.
24 What I really want to say, probably would take a long time,

25 **MICHAEL WHITE P64249 01/14/2025 DECISION PAGE 7**

1 but I'm going to just say this, looking at my niece and my
2 mother who recently passed a few years ago, she still was in
3 pain herself for losing her daughter. You know, he -- he
4 just don't know until -- he just don't know how much of an
5 impact he had on my niece, my brothers, my sisters, my whole
6 family, you know, her niece, you know, her nephews or
7 grandkids. You know, we it -- this stuff. It's just -- I
8 don't know I have a lot to say. I don't want to have a lot
9 of time to say it, but I just feel like he should remain
10 there for the rest of his days. And, uh, that's it. Thank
11 you.

12 **PRESIDING COMMISSIONER DOBBS:** Thank you. Um, Ms.
13 Hawkins?

14 **ROSE HAWKINS:** Well, I'm -- I'm with my niece. I
15 believe he -- he just ought to close his eyes and not wake
16 up. That's all. Thank you.

17 **PRESIDING COMMISSIONER DOBBS:** Thank you. Um, Ms.
18 Hearn?

19 **LINDA HEARN:** Yes. Um, for last time we did make impact
20 with, and I'm glad it's still on record as it says. Um, my
21 brother (inaudible) on what I said. This man is traumatized
22 our family so much. My mother, she passed away a few ago.
23 He's still alive. My sister, he killed, he's still alive.
24 Like I said before, every time he passed by anything, it

25 **MICHAEL WHITE P64249 01/14/2025 DECISION PAGE 8**

1 shows his reflection. He's going to see her face. And the
2 reason why he's acting up and having all these problems, why
3 he's in there now is 'cause his conscious is messing with, I
4 don't want to say messing, but you know what I mean. And it
5 is, and he thinks about that. That's he's not doing supposed
6 to do. If he had been doing what supposed to do, he starts
7 this program, the last time we had this, we have to go this
8 again. It's not fair to the family. And we don't have -- we
9 don't have no parole Board. Ain't nobody going to exonerate
10 us from uh -- uh, dealing with this and suffering with this.
11 While what -- as long as we live nobody. But he shouldn't
12 get the opportunity to have any choices about anything, to do
13 anything, but stay there right where he is, where he
14 belonged, where he wanted to be. Because if we didn't want
15 to be there, he wouldn't be a repeater. Thank you.

16 **PRESIDING COMMISSIONER DOBBS:** Thank you. Um, let's
17 see. Mr. Reed?

18 **LINDA HEARN:** He's not very well.

19 **PRESIDING COMMISSIONER DOBBS:** All right. And, um,
20 Aaron Jenkins.

21 **AARON JENKINS:** Yeah, I agree with my family. Uh, I
22 don't believe we should ever have to have this hearing again.
23 So I don't want to hear from him in five years, 10 years, 15
24 years. I believe he should never be able to be granted even

25 **MICHAEL WHITE P64249 01/14/2025 DECISION PAGE 9**

1 this hearing again. And he should stay in prison. It's
2 obviously that's where he wants to be. He does not want to
3 get out. The reason he's doing the things say yes 'cause he
4 feels comfortable where he's at and if that's where he feel
5 comfortable at, because he don't want to put the work. I
6 agree with him 1000 percent. He should live his days in
7 prison and leave there in the wooden box.

8 **PRESIDING COMMISSIONER DOBBS:** Thank you, Mr. Jenkins.
9 Uh, did I miss anyone? I think we got everyone right. All
10 right, so thank you all for your, um, statements. The -- and
11 thank you for being here again. The time is 11:58 a.m. This
12 concludes this hearing. Good luck, sir.
